Dear Bryan:

On behalf of Mehaffey Construction LLC, I would like to thank you for the excellent job that you and your firm did on our website. It started on our first meeting at a Chamber of Commerce meeting when Mehaffey was relocating its office to Saint Luice West. I was charged with the responsibility of finding a new web design company. After meeting you and your staff I was totally impressed with what I saw.

Your input and creativity was very helpful in the design of our new site. The maintenance of the site when we needed it was always completed in a timely manner. You also provided us with the know how to obtain web hits and other valuable information that we needed to optimize using the website.

You know that I am a believer of local businesses doing business with local businesses. Doing business with your firm was as easy as it gets and I would be happy to refer anyone to your firm.

Again, thank you for all of your help and assistance

Sincerely,

Mark Rothstein
